Chichester Olympic Distance Triathlon

- SWIM - 600m 18 lengths (Westgate Swimming Pool 33.3 metres, 6 Lanes). No diving, in pool start. The first wave of swimmers will start at 7am. Please report to poolside 15 minutes before your swim time to assist organisers. Swimmers will be tapped on the head when they have 2 lengths to go, but please count your own lengths also.
- BIKE - 42km (Please follow yellow and black signs) From the Westgate Leisure Centre the course rides out through Lavant, up South Harting Hill, and returns through Compton, Funtington and into Chichester arriving back at the Westgate Leisure Centre. Please note that much caution should be taken when descending South Harting Hill due to its very steep decline and a very sharp left hand turn at the approaching T Junction. This area will be heavily signed and marshalled. Furthermore, competitors will not be allowed to start without a fastened helmet! Drafting is not permitted.
- RUN - 10km (Please follow yellow and black signs) The route leaves the Centre taking you along a tarmac footpath called Centurion Way, it is an out and back run, which will finish on Chichester College's front playing field. There are water stations on route

Race Registration

Race registration will be open from 6.15am in the Westgate Leisure Centre Sports Hall. At registration you must sign in, produce your current Race Licence or sign up to the day membership (please see below). All BTF Members that cannot produce a current race licence at registration shall pay the appropriate day membership fee in order to compete. You will be issued with your race numbers at registration along with your race timing chip. Please place the timing chip around your left ankle with the band provided. Numbers must be clearly visible on your back for the cycle and the front for the run. You will be issued with 2 stickers; please place one on the front of your bike helmet and the second one to the seat post of your bike. Once registered please rack your bike in the transition area.

Transition

Transition will be a secure, marshalled area where only competitors and officials will be permitted to enter. Please can we ask competitors not to bring large bags and boxes into the transition area as they can obstruct other competitors. Please note if you are a team entry, from swim to bike transition it is safer for the swimmer to tag, pass the chip, then bike to be un-racked. Your helmet can be on and fastened before the tag. From bike to run transition your bike must be racked first before you tag and pass the chip to your run team member. Your helmet may remain in place while the chip is passed. Please ensure that all mobile phones are either turned off or are on silent mode whilst in the transition area.

Finish and Chip Timing

The finish is located on the adjacent college field through a funnelled finish and inflatable arch. Once through the finish please collect your goodie bag and put your race timing chip in the bin provided. Please note that any competitor who does not return their chip will be charged a £5 replacement fee.

Day Race Licence

If you are a non BTF Member the extra charge you paid on your entry fee will provide you with a day race licence with the BTF.

Accident/Injury/First Aid

In the event of a personal accident or injury during the race please make yourself known to the nearest marshal, who shall assist you in gaining the appropriate medical attention.
