

Celebration Cake Notice for Parents

If you wish to bring a celebration cake for your child's party, please read the following important information:

- **No nut products** are permitted on the premises. This includes cakes, decorations, fillings, and any other food items containing nuts or traces of nuts.
- For food hygiene and allergy safety reasons, **our team members are unable to handle, cut, serve, or distribute your cake.**
- If you are bringing a cake, you **must provide your own plastic blunt-edged cake knife** for cutting and serving.

It is the responsibility of the party organiser to ensure that all allergens present in the cake are clearly identified and communicated to all party guests and anyone consuming the cake.

These measures are in place to help keep our team, your party guests, and all other visitors to our venue safe, particularly those with food allergies. We appreciate your understanding and cooperation in helping us provide a safe and enjoyable environment for everyone.

Thank you for your support, and we hope you have a fantastic celebration!
